

GVA Club Policy –Membership Fee Refunds

For Members no longer able to participate in the club

Should a club member who has paid for a year's membership no longer be able to participate in the club through illness, accident, or death the club will refund on request their unused membership fees via the Club Secretary for the months of membership not used.

Should a member re-locate or change jobs that prevent participation in the club activities they can request a refund of their membership via the Club Secretary for the months of membership not used. Each case will be considered on its own merit.

The GVA club will not look to reduce its membership payments to Stowmarket GC in light of the above but will back fill the membership with new club members as and when they join.

This policy to be reviewed after 2 years from date of issue.
